

APA CALIFORNIA CONFERENCE

OCTOBER 1-4, 2022 ★ ANAHEIM MARRIOTT

Conference Leaders and Corporate Collaborators Needed

The APA California Conference is just around the corner, and we need YOUR HELP to make it a fun, exciting, and memorable experience for all! The Conference Co-Chairs are recruiting volunteer leaders and corporate collaborators to support a number of mini-engagement activities throughout the conference. We are seeking creative planners to fill the following roles:

Volunteer Leadership Positions

- **Collaboration Chair(s):** Work with the Conference Co-Chairs to develop a program and schedule for the "Collaboration Room" - on-site rooms that will host specialized professional development, career enrichment, networking, and interactive activities throughout the conference. Activities may include mentorship meet-ups, planning book club, and/or curated hallway chats. The "Collaboration Room" is intended to inspire conversation and curiosity during conference breaks - creative planners are needed!
- **Wellness Coordinator(s):** Organize health and wellness activities that promote staying active during the conference. This includes a morning walk/run with planners around the Anaheim Resort District. The Coordinator will assist in mapping routes, promoting the activity, and organizing the pick-up-and-go refreshments table.
- **Publicity Coordinator:** Work with the conference co-chairs to build out the social media presence for the conference. The coordinator will work with the Chapter to draft social media posts, write articles for the *CalPlanner Conference Issue* newsletter, and develop conference spotlights for the biweekly *eNews*. The coordinator may also help with creating Orange County Section-sponsored giveaways.

Corporate Collaboration Opportunity

- **Engagement Sponsor:** The Orange Section is seeking a corporate sponsor to make an in-kind donation of Disneyland theme park tickets. Tickets will be given away as a Section-hosted raffle prize. The raffle giveaway will integrate an engagement activity that promotes the conference theme, "Celebrating CommUNITY."

Supporting Roles

- **Mobile Workshop Support:** Provide on-site conference support, such as assisting mobile workshop attendees with check-in, directing guests to buses, and organizing a pick-up-and-go refreshments table. Multiple volunteers are needed to assist with the bevy of exciting mobile workshops planned for the conference.
- **Opening Reception Support:** Become a member of the Special Events Subcommittee and help coordinate event details, such as entertainment, vendors, food, etc. This volunteer is expected to arrive at the Opening Reception early to provide on-site support during event set-up.

Complete this online form to submit your interest in one of the volunteer leadership and corporate sponsorship opportunities. Questions? Please contact *Stephanie Tomaino, Conference Co-Chair*, by email at: director@oc-apa.org.

Interested in helping with the conference, but short on time? Don't worry - there are plenty of limited-term volunteer opportunities! We're looking for general conference volunteers to assist with a variety of activities, including staffing the registration table. To add your name to the general volunteer interest list, please contact *Tamara Campbell, Volunteer Subcommittee Chair*, at: tcampbell@civicsolutions.com.

Volunteers do not need to be Orange Section APA members, but they must attend the conference in-person. Students and young and emerging planner volunteers may be eligible for a full conference stipend if assisting with on-site staffing of the registration table for a minimum number of hours.
